QE SCHOOL BUS SERVICE

The school bus service at QE now covers even more surrounding areas, across nine routes, for the 2024/25 school year.

Anyone wishing to sign-up to the service must complete a [Annex K](#) form, this can be found by logging into the Parent portal. *Note that if you have already completed one of these forms in a previous school year, you do not need to complete them again.

The QE School Bus Service is available for students from Year 1 upwards. Booster seats are provided.

TO NOTE: Spaces on our bus services are limited and priority will be given to those requiring a five day return service. This is to ensure that the service is running at maximum capacity.

Safety notice

The safety of QE students is our priority. If there is no one to collect your child at the designated stop, or if we have not been notified of a change to the person there to collect your child, they will be taken back to QE where they can be collected. Should an emergency arise, and you are unable to collect your child until a later time, we can arrange for them to have supper at the school and they will be cared for until you are able to collect them.

All buses are fitted with seatbelts, which must always be worn by students whilst using the service. Failure to do so will result in them being excluded from using the service.
